Dear Dr. Chon:

TRANSMITTAL OF WASTE DISCHARGE REQUIREMENTS ORDER NO. R3-2022-0004, NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT NO. CA0048127 AND TIME SCHEDULE ORDER (TSO) NO. R3-2022-0005 – CITY OF LOMPOC REGIONAL WASTEWATER RECLAMATION PLANT, SANTA BARBARA COUNTY

At its public meeting on February 17, 2022, the Central Coast Regional Water Quality Control Board adopted Order No. R3-2022-0004, Waste Discharge Requirements for the City of Lompoc Regional Wastewater Reclamation Plant (attached). Please review the requirements carefully and note that some modifications to previous requirements are specified. Central Coast Water Board staff will also post the Order online at: http://www.waterboards.ca.gov/centralcoast/board_decisions/adopted_orders/index.shtml

Your renewed permit's effective date is identified in the Order as May 1, 2022. Central Coast Water Board staff will activate the permit within the California Integrated Water Quality System (CIWQS) on the permit effective date. Please be aware that your CIWQS permittee entry template (PET) tool may need to be updated when your new permit becomes effective. Please update the tool to reflect permit changes prior to the effective date to avoid potential late reporting violations. The following CIWQS webpage provides helpful information: https://www.waterboards.ca.gov/water_issues/programs/ciwqs/chc_npdes.html. If you need help with PET tool changes, please contact the CIWQS help desk using the contact information on the CIWQS webpage.

As documented during the public process, the effective date of TSO R3-2022-0005, attached, is also May 1, 2022. The TSO provides a compliance schedule to complete facility upgrades for some of the final effluent limitations contained in your permit.

Thank you for your time in assisting with the process of adopting the waste discharge requirements and TSO. If you have questions regarding the adopted permit or TSO, please contact **Peter von Langen at (805) 549-3688 or peter.vonlangen@waterboards.ca.gov** or Arwen Wyatt-Mair at (805) 542-4695 or arwen.wyattmair@waterboards.ca.gov.

Sincerely,

Matthew T. Keeling
Executive Officer
