Dear Mr. Silveira:

ADMINISTRATIVE EXTENSION OF NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT NO. CA0048216, ORDER NO. R3-2008-0016; CITY OF WATSONVILLE WASTEWATER TREATMENT FACILITY, SANTA CRUZ COUNTY

The Central Coast Regional Water Quality Control Board (Water Board) received your Report of Waste Discharge (application) on November 19, 2012. Water Board staff considers your application to be complete. Pursuant to Title 40 of the Code of Federal Regulations, Part 122.6(d), this letter notifies you that the Water Board hereby administratively extends the expiration date of Order No. R3-2008-0016 until a reissued NPDES permit is adopted. You should also be aware that an adopted Order may also provide an additional 50 days after the date of adoption for USEPA's review and comment before the reissued permit becomes effective.

If you have questions, please contact Sheila Soderberg at (805) 549-3592 (Sheila.Soderberg@waterboards.ca.gov) or Harvey Packard at (805) 542-4639.

Sincerely,

Kenneth A. Harris, Jr.
Interim Executive Officer
