On September 6, 2007, the Los Angeles Regional Water Quality Control Board issued a National Pollutant Discharge Elimination System Permit to the Newhall Ranch Sanitation District (NRSD). The County of Los Angeles Department of Public Works is staff for the NRSD until such time as the NRSD joins the Joint Administration Agreement at which time the County Sanitation Districts will become staff to the NRSD.

Previously, Public Works authorized Mr. Steven Sheridan, Principal Engineer, to be the duly authorized representative. Mr. Sheridan has been reassigned to another division. The new authorized representative is Mr. Steve Burger, Principal Engineer. Mr. Burger has the signatory authority for documents associated with the subject NPDES permit.
