Directions: Please sign and return the completed form to the address below JAN 13 PM 12:11

A data submitter is any individual authorized by a legally responsible official (LRO) to enter data into the online eSMR database. A data submitter may be other agency employees, contractors, labs, etc. A LRO is the only individual that can authorize data submitters on behalf of their agency. This form enables agencies to register a data submitter for eSMR.
