REVISED MONITORING AND REPORTING PROGRAM 81-122, GOLDEN HILLS SANITATION CO., INC., GOLDEN HILLS WWTF (WDID 5D1510270001, RM 374997), KERN COUNTY

Waste Discharge Requirements Order 81-122 (WDRs) for Golden Hills Sanitation Co., Inc. (Company) regulates the Company's wastewater treatment facility (WWTF) and its discharge of disinfected tertiary treated wastewater to land. The WDRs include Monitoring and Reporting Program 81-122 (MRP). The MRP currently requires the Company to submit monthly self-monitoring reports by the 15th day of the following month. In a 12 July 2010 telephone conversation with staff, you explained that that Company has difficulty submitting self-monitoring reports by the specified deadline because of laboratory turn around time, and requested the deadline be extended. This request is reasonable.

By this letter, the Company is hereby notified that MRP 81-122 is revised to require the Company to submit **quarterly** self-monitoring reports by the 1st day of the second month following the end of each calendar quarter (i.e., the first quarterly self-monitoring report is due 1 May) and submittal of an annual report by 1 February of the following year. This change shall be effective **1 July 2010**. We will expect your third quarter report (covering the period July through September) by **1 November 2010**. Please be advised that self-monitoring reports and annual reports must be received by this office by the specified due date (i.e., not just post-marked by the specified deadline).

If you have any questions regarding this matter, please telephone Jo Anne Kipps at (559) 445-5035.
