ENTITY CHANGE FOR ORDER NO. 97- 050, FROM CAJON PROPERTIES, dba
WAGON TRAIN VENTURE TO WAGON TRAIN ROAD, LLC

Dear Mr. Vander Woude:

On July 18, 1997, Cajon Properties, dba Wagon Train Venture was issued waste discharge requirements Order No. 97-050 for waste discharges from the package treatment plant located along Highway 138 and Wagon Train Road in the Cajon Pass area of San Bernardino County. On March 25, 2008, you informed us that Cajon Properties, dba Wagon Train Venture has changed to a limited liability company and is now called Wagon Train Road, LLC. Consequently, you are requesting that the aforementioned waste discharge requirements reflect this change.

Effective immediately, Wagon Train Road, LLC is identified as the discharger and is authorized to discharge under the terms and conditions of Order No. 97- 050.

If you have any questions, please contact Najah Amin of our Compliance Section at (951) 320-6362.

Sincerely,

Gerard J. Thibeault
