Re: Updated LRO Designation – Marco Resendiz & Resubmission of ESA Form

Dear RWQCB and CIWQS Administrator,

Please accept this letter as formal notice that Seeley County Water District is resubmitting the Electronic Submittal Authorization (ESA) Form to reflect an updated designation for Marco Resendiz. A scanned copy of the signed form is attached to this email, and the original hard copy is being mailed today, July 9, 2025.

This is the third submittal of the ESA Form due to the possibility that the previously submitted version (second submission) was lost or not received.

Please note that Marco Resendiz was initially submitted as a Data Submitter; however, after further review and clarification of responsibilities, he is now being designated as a Legally Responsible Official (LRO) for the Seeley County Water District.

This designation is made to support CIWQS reporting compliance. As previously stated in the letter dated June 10, 2025, Miriam Rosales, General Manager, also serves as an LRO. The Public Wastewater System (PWS) will therefore have two LROs: **Miriam Rosales** and **Marco Resendiz**.

With Gratitude,

Administrative General Manager &
Secretary of the Board
