Authorization Form for Electronic Submittals

LEGALLY RESPONSIBLE OFFICIAL REGISTRATION FORM FOR THE CALIFORNIA INTEGRATED WATER QUALITY SYSTEM (CIWQS) SANITARY SEWER SYSTEMS DATABASE

Directions: To complete the CIWQS Legally Responsible Official user account registration process, please print, sign, and mail this form to the address at the bottom of this form.

A Legally Responsible Official is any individual authorized to enter and certify data into the online CIWQS Sanitary Sewer Systems database on behalf of a sanitary sewer system owner enrolled (Enrollee) under Statewide Waste Discharge Requirements General Order for Sanitary Sewer Systems (Order WQ 2022-0103-DWQ).

Per section 5.1. of the General Order, a Legally Responsible Official must have authority to ensure the enrolled sanitary sewer system(s) complies with the General Order, and is authorized to serve as a duly authorized representative. The Legally Responsible Official must have responsibility over management of the Enrollee's entire sanitary sewer system, and must be authorized to make managerial decisions that govern the operation of the sanitary sewer system, including having the explicit or implicit duty of making major capital improvement recommendations to ensure long-term environmental compliance. The Legally Responsible Official must have or have direct authority over individuals that:

- Possess a recognized degree or certificate related to operations and maintenance of sanitary sewer systems, and/or
- Have professional training and experience related to the management of sanitary sewer systems, demonstrated through extensive knowledge, training and experience.

A Legally Responsible Official shall electronically certify, on the Enrollee's behalf, all applications, reports, the Sewer System Management Plan(s) and corresponding updates, and other information submitted electronically into the online CIWQS Sanitary Sewer Systems Database.
